1. *What is the primary purpose of the study?*

Digitized by srujanika@gmail.com

• The *liver* is the largest glandular organ in the body.

For more information about the study, please contact Dr. Michael J. Koenig at (314) 747-2000 or via email at koenig@dfci.harvard.edu.

• The first step in the process of creating a new product is to identify the needs of the target market.

For more information about the study, please contact Dr. John D. Cawley at (609) 258-4626 or via email at jdcawley@princeton.edu.
